At Dress Rehearsal dancers stay in auditorium with parents/guardians, parent monitors and their classes. If dancers have more than one dance they will change immediately after exiting the stage and then sit with the next class in the auditorium until they are called to lineup at the side of the stage. Dancers will be lining up on the side of the stage 5 numbers before they dance. For example "We're Going on a Bear Hunt" will start lining up in the auditorium when "Where the Wild Things" is dancing on stage. "Bear Hunt" should be on the side of the stage doors while "The Bee Book" is dancing.
